

MASTER AND MORE and BACHELOR AND MORE fairs 2020/2021

Latest information for the events during the corona pandemic (*as of 22.10.2020)

Dear exhibitors,

We are pleased to soon start our new fair season with you. In order to encounter the current corona pandemic and social distancing, there will be some changes for the upcoming fairs, about which we would like to inform you in this document.

Of course, the safety for our exhibitors, visitors, service providers and employees are our highest priority. Thus, we would kindly like to ask you to note our hygiene instructions. Furthermore, you can find current information about the setup of the booths in this document.

We appreciate your participation! Especially during these challenging times – let us show young people, what great opportunities the future holds ready for those obtaining a Bachelor or Masters degree!

With kind regards,

The border concepts team

✓ Distancing: 1.5 meters distance to your fellow beings

✓ Hygiene: Proper coughing and sneezing as well as washing and disinfecting hands regularly

✓ Cloth face mask: Visitors are wearing a cloth face mask

In order to organise safe events for everyone, you will find the following conditions at the upcoming fairs.

Entering the fair

- ✓ Updated opening times: 11 am – 5 pm
- ✓ When entering and leaving the fair location, all exhibitors will be registered at the entrance.

Maximum number of student advisors per booth

- ✓ 9 sqm: max. 2 advisors at the same time
- ✓ 12/15 sqm: max. 3 advisors at the same time
- ✓ 18 sqm: max. 4 advisors at the same time
- ✓ The advisors can switch when leaving the fair location.

Booth setup

- ✓ In order to keep the necessary distance, each advisor receives an own counter, instead of bar tables and Octanorm walls.
- ✓ The width of the booth will be adapted to the current distance regulations in order to enable the above mentioned number of max. advisors.
- ✓ Free-standing booth equipment (e.g. roll-ups or folding walls) can be used.
- ✓ Each counter will be equipped with a sneeze guard for the safety of the advisor.
- ✓ 1.5 meters distance to further advisors
- ✓ 1.5 meters distance to the neighbouring booth
- ✓ 1.5 meters distance to visitors

Further hygiene instruction

- ✓ Cloth face masks for visitors
- ✓ Notifications about distance obligations, correct coughing and sneezing as well as regular hand washing
- ✓ Disinfectant dispenser at regular distances
- ✓ Additional cleaning staff
- ✓ Admission of visitors is only possible after registration and according to the regulations of the respective local health authority
- ✓ Signposting system and wide aisles in the fair location

Corona risk areas and travel warnings

Exhibitors from a risk area abroad (at the time of the fair, acc. to the German Ministry of Foreign Affairs or Austrian Ministry of Social Affairs) may only participate in the events if they comply with the respective entry regulations.

Current lists of risk areas can be found here:

Germany: https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete_neu.html

Austria: <https://www.sozialministerium.at/en/Coronavirus/Coronavirus---Information-available-for-download.html>

In case you are affected by this situation, please get in touch with us, so we can find a solution together. This also applies, if your country of origin claims the region, where the fair is taking place, as a risk area or declares a travel warning.
